Dear Mr. Hemmingsway-

I received your note yesterday afternoon and will say in regard to the business part, I should be delighted to go in your party if I return. I may have to remain home for the fall term on account of mamma's poor health, if she does not improve very ~~rapidly~~ ~~rapidly~~ I shall remain home. Mamma says I must return and I think I shall but I cannot give my final answer until Friday or Saturday and I am afraid that will be too late for you will it not?

I am in a very great hurry this am as the

serving girl is here.

I had a long letter  
from Julia yesterday and  
she said she was not to  
return to be in Omaha.

Has Budd gone home as  
yet? He did not come down  
for the visit we had talked  
of. Will you <sup>please</sup> let me know  
if my answer will be too  
late?

Sincerely

Dorothea Jones.

Tuesday All.
